Commissioner for Patents

The reply filed on January 24, 2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has elected at least one claim that does not read on the elected species. For example, claim 68 is directed to commencing application of said energy to the chamber at an increasing power level up to said plasma capable power level after commencing flow of the second precursor gas to the chamber". See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
